

Interstate 270 outer road bridge at Coldwater Creek

This bridge is part of the Safe and Sound bridge improvement program. This project consists of bridge rehabilitation and the bridge will be closed to traffic during the construction work.

Traffic will be detoured onto Interstate 270 via Lindbergh Boulevard and Hanley Road.

The work is expected to begin on Thursday, April 28, weather permitting. Once construction begins, the contractor is obligated to reopen the road within 50 days. The project is expected to be completed in early summer 2011.
